

Welcome to the World of BauMinator

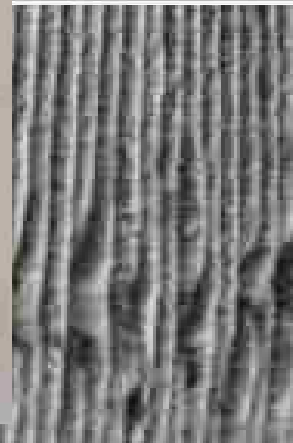

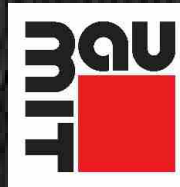

- 3 D Concrete Printing System
- Commercial Available System
- No Limits on Design

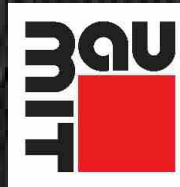

As simple as this ...

Design in Daily Life...

Design Your Surface...

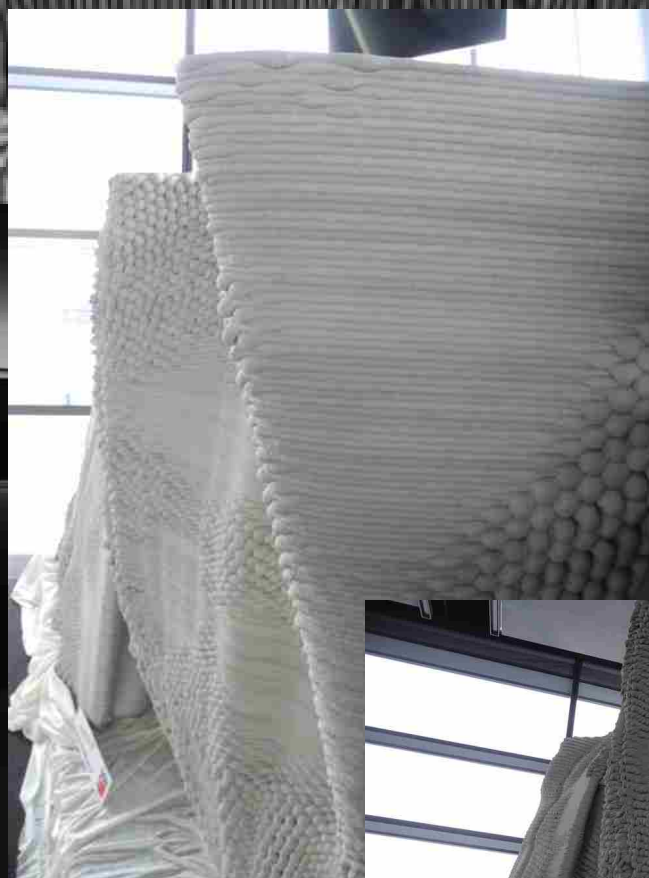

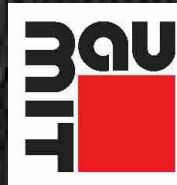

Building Parts...

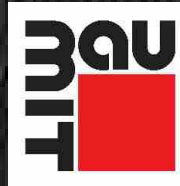

Need a Change?

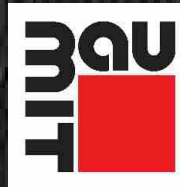

Solid Curtains ...

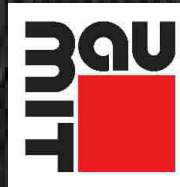

Imagine your Individual Fassade...

Imagine BauMinator...

Stairway to heaven ...

3 ways to Satisfaction ...

First of all you think about

Printing the Object

But there is 3 Three Options

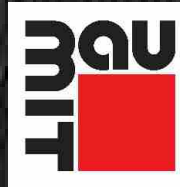

3D print of OBJECTS

3D print of DEAD SHEARING

3D print of PROFILES / SHAPES

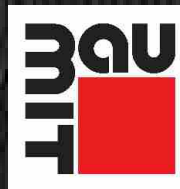

Technology Fit ...

- **Get Designs you didn't get before**
- **No costly sheating anymore**
- **Price efficient production of Individual Parts**
- **From Digital to Physical in one step**
- **Continuous Process possible (24/7)**
- **Individual Solutions get affordable**
