## FUTURE MATCH 2018

### About Future Match at CEBIT

CEBIT is Europe's Business Festival for Innovation and Digitization. CEBIT covers the digitization of business, government and society. In 2017, 3.000 exhibitors and over 200.000 visitors took part.

Since 1999, the brokerage event Future Match at CEBIT has enabled enterprises, higher education services and research organisations to find new partners for commercial and technological cooperation and joint research projects for:

- technology transfer
- research and development projects
- subcontracting and outsourcing
- licensing
- sales and distribution agreements

At Future Match 2018, companies, universities and research organisations are invited to get in touch with new cross-border contacts for future cooperations.

Figures from Future Match 2017:

- over 230 participants
- 36 represented countries
- over 1.000 bilateral meetings

### How to participate

Register online and create an online cooperation profile with your offer or request at:

[www.futurematch.cebit.de](http://www.futurematch.cebit.de)

Cooperation profiles are published in an online catalogue.

Browse the catalogue for interesting profiles and request meetings with the other participants online.

Meetings of 30 minutes are scheduled by the network staff.

Individual schedules will be sent out to the participants prior to the event.

Bilateral meetings take place from 12th – 15th of June 2018 at the Future Match stand.

## About Enterprise Europe Network

Launched in February 2008 by the European Commission, the Enterprise Europe Network offers its support and services especially to small and medium enterprises (SMEs) and research organisations in Europe.

All activities of the network aim at promoting innovation and competitiveness in Europe. The services offered by nearly 600 partner organisations from more than 60 European and non-European countries include partner searches for technology, research and business cooperation, technology audits, advice on European regulations, current programmes and funding opportunities.
