

The Enterprise Europe Network

Enterprise Europe Network is an international network of close to 600 partners from over 60 countries with 3000 local experts ready to help you find the right partners and grow your business through innovation.

Our services tailored to SMEs, but are also available to all other businesses, universities and research centres, focus in:

- Going international
- Technology transfer
- Access to finance
- Research funding
- Innovation Management
- Advice on EU law and standards
- Intellectual property and patents
- Speak up on EU law

The Enterprise Europe Network is a key instrument in the EU's strategy to boost growth and jobs.

The North West of England, with Liverpool City Region at the heart, is one of the top 3 clusters for life sciences in the UK. Liverpool is investing billions of pounds in our health ecosystem, offering countless opportunities from research, drug discovery, and clinical trials through to bio manufacturing and digital health. The unique convergence of major assets in science, technology, manufacturing and digital innovation is creating a melting pot of ideas and ground breaking solutions

Organisers

The Healthy Future Partnering Event is organised by RTC North in cooperation with the Healthcare Sector Group of the Enterprise Europe Network. RTC North is one of Europe's leading technology transfer companies with a trusted reputation for delivering services in innovation and business growth. RTC North is the lead delivery partner for Enterprise Europe Network in the North of England.

The Healthy Future Partnering Event

Liverpool Exhibition Centre
Liverpool, United Kingdom
26th June 2018

About the event

The Enterprise Europe Network (EEN) have teamed up with 2018 International Business Festival in Liverpool, a global market place for creating connections and doing deals. It brings together thousands of businesses from around the world for three weeks of events, networking and deal-making.

Taking place on International Health & Life Sciences Day of the festival the partnering event will provide delegates with the opportunity to meet potential collaborative partners through facilitated face-to-face meetings.

This is a unique platform to share innovative technologies, initiate co-operation and to find new international business partners. Participants can request pre-arranged one-on-one meetings according to their interests, enabling you to make the most of your visit.

Target audience

- Companies, universities and research organisations from Europe and beyond active in biomedical sectors including:
- Biotech and Pharmaceutical
- Contract Research Organisation (CRO)
- Contract Manufacturing Organisation (CMO)
- Diagnostics
- Analytical
- Medical Technology
- Healthcare
- Precision Medicine
- Digital Health

The partnering sessions will offer delegates the opportunity to explore

- Commercial and technology opportunities with other delegates
- R&D opportunities including finding research partners for UK and European funding
- New markets
- Establish a presence in the Liverpool City Region

Once registered you will be able to complete your partnering profile and request meetings (or be invited to meet others). A personalised schedule of meetings will be provided. On-hand support will be available during the day.

Why participate?

The Partnering Event is an efficient and effective way of making initial contact with a large number of people over a limited period of time

Promote your company profile with a specific offer or request

Make the most of your 2018 International Business Festival visit with a personalised meetings-agenda

Support and follow-up after the event from EEN staff

Travel grants will be made available to selected companies travelling from outside the UK

This Partnering Event is free and is organised by the Enterprise Europe Network – the world's largest business network for helping ambitious business grow internationally with over 3000 experts in more than 60 countries.

How to participate?

Register and provide at least one profile describing either an offer or a request. All the participants' profiles will be published on the website of the partnering event. Browse profiles and request meetings with organisations you are interested in online. About one week prior to the event, each participant will receive an individual meeting schedule.

Meetings

- 26th June 2018 10:00 - 16:00 h
(Meeting slots will be 30 minutes)

Register now: <https://healthyfuturematch2018.b2match.io/>

Keep in mind the deadlines!

Registration - until 18th June 2018

Register and submit a cooperation profile with a description of your offer or request. Profiles are published online.

Request Meetings - 2nd May to 19th June 2018

Participants can select interesting cooperation profiles from the catalogue and request meetings, or if invited, you can accept/reject the meetings.

Matchmaking Event - 26th June 2018

Meetings can take place at your chosen times at the Partnering Event stand.

The earlier you register the more time you have for your profile to be seen on the website, and to select potential partners or receive requests for a meeting with you!

Participation fees

The Healthy Future Partnering Event is free of charge to attend.

Venue

Liverpool Exhibition Centre
Kings Dock, Liverpool, L3 4FP
United Kingdom
