BioHorizon project is funded by the European Commission - Grant Agreement no. 652637

#BioBrokerage

Blue R&D cluster focusing on marine and maritime research at the University of Southern Denmark

Our portfolio covers: law, biology, engineering, health, psychology, sociology, environmental economics, pollution, microbiology, big data and cloud computing.

We can complement consortia with:

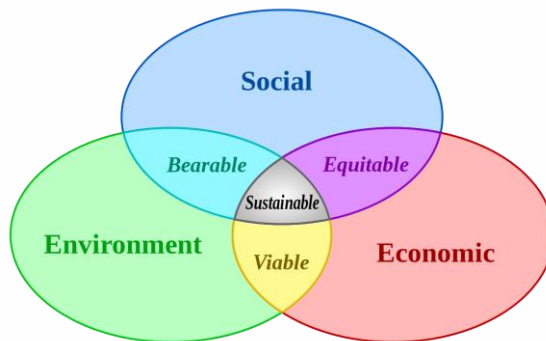

- general academic skills, cloud solutions, **strong SSH-skills and links to living labs in the region of Southern Denmark.**

Academic background

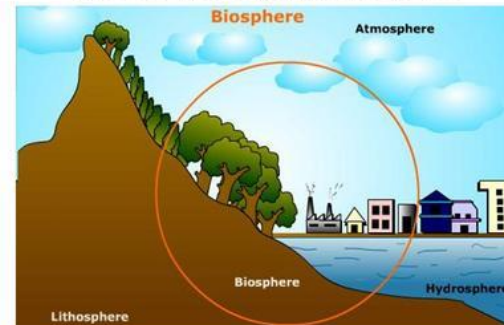

The interdisciplinary Blue SDU research network covers academic disciplines within:

- Law
- Biology
- Engineering
- Naval Architecture
- Public health
- Epidemiology
- Psychology
- Sociology
- Occupational health
- Health economics
- Environmental and business economics
- Environmental pollution
- Marine archaeology

Project idea / Company expertise

The Biogeochemical cycles

-plastic digesting microorganisms, bio-plastic, blue cloud, coastal and benthic ecology, benthic and pelagic biogeochemistry.

-maritime health, safety and security, maritime and marine economy, socio-economic impact, legal and other normative framework development and international regulations.

We tailor your SSH cross-cutting priority and link to living labs.

One partner – many skills!

BlueSDU

The main entry for interdisciplinary and intersectoral academic marine and maritime research at the University of Southern Denmark

INSTRUCTION (1/3)

Remove text box
and insert your
organisation's logo
here on each slide

The second and third slides may show:

- The expertise possessed by your company/organisation;
- The objectives of your project proposal;
- An indication of the existing partnership/consortium;
- The requirements for additional partner(s);
- The topics you are interested in;
- Involvement in previous/ongoing projects in the area.

The 'Contact' slide should include:

- Your name;
- The name of your organisation;
- Your organisation's logo in the upper right corner (of slides 1-4);
- The nature of your organisation; e.g., academic institution, SME, large company, governmental organisation, NGO, etc.;
- The country from which your organisation operates.

Please note:

- Presentations must be held in English;
- Do not overload your slides – provide links to additional material;
- Do not use videos, etc. as these may not be compatible with the IT system in the venue;
- The flash presentations will be webstreamed and the presentations made available as .pdf files on the event website after 26th June;
- Please do not submit a flash presentation until your participation has been confirmed;
- Presentations should be submitted to
Ms. Katerina Papadouli - papadouli@praxinetwork.gr
- **Submission deadline: 27 May 2018**
