BioHorizon project is funded by the European Commission - Grant Agreement no. 652637

#BioBrokerage

# Project idea / Company expertise

## AAC - Government institution

subordinated to the Ministry of Agriculture and Rural Development

### Mission:

improvement of the level of agricultural incomes, enhancement market competitiveness of agricultural holdings, supporting rural sustainable development and improvement of vocational skills of farmers and other rural inhabitants

## Project proposal:

1. New types of catering services in rural areas in the context of food sovereignty.
2. Social farming throughout Europe.
3. Women = Leaders of the rural community in the processes of local development - increasing the chances of employing women in rural areas thanks to actions for entrepreneurship supported by the smart villages method.
4. Small farms as an instrument of building sustainable societies.

## Topics we are interested in

- Rural entrepreneurship
- Activation of local communities
- Social farming
- Rural tourism
- Local products/Food chains
- Rural households
