Europe's Leading Trade Fair for Conservation
Restoration and Old Building Renovation

November 8 – 10, 2018

As part of denkmal 2018:

CONTACT "denkmal" – INTERNATIONAL BUSINESS MEETINGS

9 November 2018, 10:00 a.m – 3:00 p.m. at the Congress Center Leipzig (CCL)

The "denkmal" trade fair has been held in Leipzig every two years since its premiere in 1994. "denkmal" is aimed at decision-makers: architects, planners, skilled artisans, heritage conservation authorities and restorers, but also investors and building owners. The result is a three-day gathering of industry professionals and private visitors together in one convenient location.

As Europe's leading trade fair for cultural heritage conservation, "denkmal" represents the excellent communication platform for establishing contacts to domestic German and international providers of related goods and services. 58 companies and institutions from Austria, the Czech Republic, France, Germany, Great Britain, Italy, the Netherlands, Poland, Russia and Sweden participated in the International Business Meetings at denkmal 2016.

Thanks to the great response to the five previous denkmal International Business Meetings, this event will continue in 2018. The CONTACT International Business Meetings are organised by the Leipzig Chamber of Skilled Crafts and Trades and Leipziger Messe, and the exchange will once again enjoy the support of the "enterprise europe network".

CONTACT "denkmal" – INTERNATIONAL BUSINESS MEETINGS

- Are an instrument for initiating business contacts between companies from Germany and abroad
- Offer companies the opportunity to present themselves on an online platform in advance of the trade fair
- Are organised with appointments and contact requests agreed in advance
- Feature interpreters free of charge as needed

„denkmal" exhibitors and industry attendees are cordially invited to take part in the International Business Meetings. The fee for each participating company is 50 Euros and includes our arrangement of the events and meetings, an admission ticket to the fair, catering and interpreter services as needed. Participation in the International Business Meetings is free of charge for denkmal exhibitors and all non-German denkmal participants.
